

SIGNS OF WINTER

Now is the time of year when autumn begins to turn to winter. Some clues are hard to miss. To spot others, you may have to watch very carefully.

Some Signs of Winter

- Cozy squirrel nest
- Trees with no leaves
- Winter weeds
- Frozen pond
- Tracks on fresh snow
- Buds that will become new leaves/flowers in spring
- Holly bush with red berries
- Bird with fluffed-up feathers
- Dog with thicker layer of fur

Helpful Things to Take Along

- Camera
- Crayons or colored pencils

DIRECTIONS: In the chart below, list three signs of winter that you find. Write the date and place where you spot each one. In the last column, tape a photo or draw a picture of the winter sign.
